Atlanta Lab Rescue and Maker's Mark Bourbon presents
"Bourbon, Barbecue and Best of Breed" on Saturday, April 20th from 7-10 pm, at the beautiful Donaldson-Bannister Farm in Dunwoody. Back for the 6th year, this highly anticipated event benefits Atlanta Lab Rescue, and celebrates the heritage and beauty of the Labrador Retriever... Southern Style!

Maker's Mark will provide our signature cocktails, and will have a Tasting Tent where you can sample their award-winning bourbons. Supper will include barbecue, brisket and all the fixins' served up by none other than the famous Fox Bros. Bar-B-Q.

We'll keep the entertainment lively with some foot-stomping country tunes, and Wes Nannen of Hi-River Outfitters will guide his dogs through field trial and retrieving demos, showcasing the tradition of the breed. Beautifully landscaped gardens, amazing silent auction, corn hole, and new this year...axe throwing, rounds out this simply southern affair.

Our Mission

Atlanta Lab Rescue is an all-volunteer, non-profit (501-c3) organization, whose mission is to identify and rescue Labrador Retrievers and Lab Mixes from overwhelmed shelters and situations of abuse and neglect and place them in secure, loving homes. We average 45 dogs in the program at any given time and in our first 16 years, we have rescued over 6,500 dogs.

Prior to an Atlanta Lab Rescue dog being adopted, each dog undergoes an extensive examination by our veterinarians, including a comprehensive blood profile, is updated on all vaccinations, spayed or neutered and micro chipped. Health issues that require additional treatment such as heartworms and surgery, are addressed prior to adoption. We also offer training help for dogs with behavioral issues. At Atlanta Lab Rescue, we firmly believe that a healthy, well trained dog is the key to the successful integration of a rescued dog and ensures a wonderful, loving companion for years to come.

Last year, our cost to vet and board exceeded \$800,000. This year, more than ever we need your help. Atlanta Lab Rescue is a registered non-profit and 100% of donations go to the rescue, housing, training and care of these dogs.
